Reason Why Firefighter: The reason i want to become a firefighter for the Boone County Fire District is a real simple reason. I want to help others, and have fun while helping. I've always been interesed in becoming a firefighter, and would really like the oppritunity. I also would like to join the Boone County Fire District because i want to be apart of a great team and family of firefighter"s. It would be an honor to be apart of the Boone County Fire Protection District.

Thank You,

Zach Rugen
