Reason Why Firefighter: I would like to become a firefighter for the Boone County Fire Protection District because I think that it would be an exciting opportunity. I am a person who likes to stay physically active and fit which is a requirement of the Fire Department. I think that it is a job that I could excel at. And I feel that I would be a good fit to the Fire Department. Also I think I would enjoy putting my life on the line to possibly save others. I really feel like giving back to the community and others is something that everyone should do at some point in their lives. I think that this is my time as I am young, physically fit, motivated, eager, a very fast learner, and I can think on my feet in high stress situations. I would love and appreciate the opportunity to be considered. Please accept this application as my strong interest in becoming one of the coveted Boone County Fire Fighters.
