Business/Occupation: Fire Fighter

Reason Why Firefighter:

I would like to be a member of the Boone County Fire Protection District because I volunteered for three years prior to coming to college and public service is something I hold dearly to my heart. I am a very dedicated individual and would give everything I can to this department.

I took the initiative my senior year of high school and obtained my fire 1 & 2 degrees while way over half the people on our department have never got this. I take fire fighting very serious and would love to be a member of this great department. Thanks for your consideration and hope to hear from you.
