Reason Why Firefighter:

I am a very skilled, aggressive paramedic looking for a new and exciting challenge. I know I have the drive and dedication to be an asset to this entity. This has always been a goal of mine to be a part of this team. The opportunity to help in the face of disaster would be the ultimate for me. I know that I have the physical and mental capacity to handle whatever would be presented to me. Missouri Task Force 1 would give me the opportunity to show my true ability and give me the challenge I am looking for. I hope that you strongly consider me for a position on your team and thank you for reviewing my application.
